

Book List

The below resources are what I have followed during my mains preparation.
Aspirants can follow any source which they are comfortable.

Please note that I also have taken 1 year GS coaching from Vajiram & Ravi in 2017 during my first attempt. It helped shaping my basics on General studies.

Newspaper: I followed The Hindu in my earlier attempts, but switched to Indian Express post 2020. You can follow any one news paper + one institution daily current affairs.
